

CAMPUS LIFE

ONE CARD, ALL TOGETHER

HALKBANK

CAMPUS CARD

(STUDENT AND STAFF ID CARDS)

HALKBANK
ON CAMPUS

Campus Cards provide many services in our university with a single card, functioning as both a bank card and an identity card.

Offered in partnership with Halkbank, these cards can be used for identity verification at university entrances. In the dining halls, they enable automatic and fast access.

Additionally, you can easily load money onto your cardless account and use it at dining halls and payment points. The Halkbank Campus Card is presented as a card linked to both a cardless account and a bank card, combining university ID and banking features in one.

You can use your card at campus access and payment points, link it to all your accounts at the bank, and manage your money, transfers, withdrawals, account balance, and transactions easily.

In short, you can benefit from all banking services with a single card like a student.

**FAST AND
PRACTICAL**

**LOAD AND

USER GUIDE

1. SYSTEM LOGIN

- Go to <https://yukle.al> in your browser to access the system login page.
- On the main screen, you can perform the balance top-up process in three different ways.

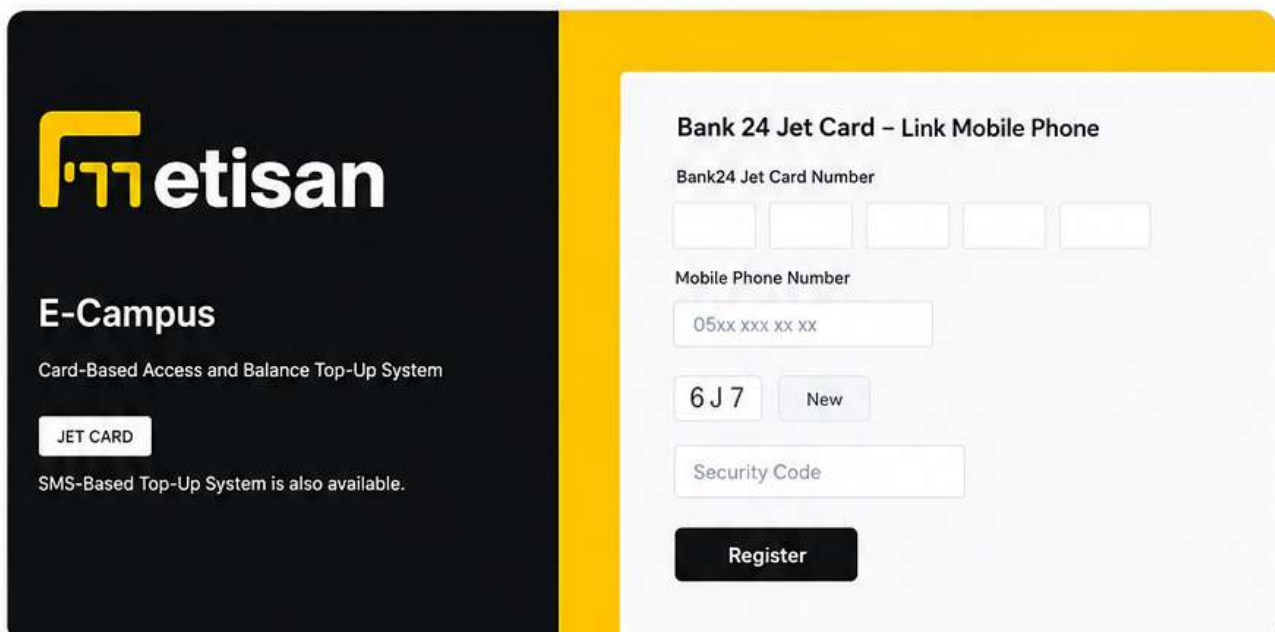

The screenshot shows the E-Campus login interface. On the left, the 'etisan' logo is displayed above the text 'E-Campus Card-Based Access and Balance Top-Up System'. A 'JET CARD' button is visible, along with a note that 'SMS-Based Top-Up System is also available.' On the right, the 'Balance Top-Up' section is active. It features a toggle for 'Bank24 Jet Card' and a field for 'TC Identity No.'. Below this, a prompt asks the user to 'Enter the 16-digit card number on the back of your card.' There are five input boxes for the card number, with the first three containing '6', 'J', and '7'. A 'New' button is next to the last box. Below the card number boxes is a 'Security Code' input field. At the bottom of the section is a 'Search' button.

SMS Balance Top-Up:

- To use this method for the first time, click the “SMS REGISTER” button.
 - After clicking the SMS REGISTER button, a visual like the one below will appear. Fill in your information, your Bank24 Jet Card Number, your mobile phone number, and answer the security question, then click the “Register” button.
- After linking your mobile phone number to your Bank24 Jet Card, you can log in to the system.

The screenshot shows the E-Campus login interface with the 'Bank 24 Jet Card - Link Mobile Phone' section active. It features a 'Bank24 Jet Card Number' field with five input boxes, the first three containing '6', 'J', and '7'. Below this is a 'Mobile Phone Number' field with a placeholder '05xx xxx xx xx'. A 'New' button is next to the last box. Below the phone number field is a 'Security Code' input field. At the bottom of the section is a 'Register' button.
